

Sonidos del Alma

Spanish Language Choir led by Iaki Vallejo

The choir will specialise on songs from Latin America such as Mexican bolero *Besame mucho*, Colombian cumbia *El pescador*, Chilean classic *Todo cambia* and Colombian alabao *Velo que bonito*. The repertoire will also include arrangements of Iaki's own songs with the purpose of creating opportunities to perform together on her shows.

The choir will also cover skills on how to hold your own part in a harmony and aligning your voice to it by exploring the enriching sounds of acapella music. No experience required.
